

## WILL'S RULES OF GOLF (& LIFE)

1. Always listen to Daddy immediately for your own fun and safety and for the fun and safety of others.
2. Golf is a game. Games are fun. Have fun playing golf.
3. Golf is also hard. You will not hit every shot the way you hope, but you could be home changing your sister's diaper.
4. Golf starts over after every shot - which is cool - because every shot's a new chance to be awesome.
5. Always be mindful of others. Show respect. Say "yes, sir" or "no, ma'am." Say "please" and "thank you."
6. Fix at least two ball marks on every green.
7. Please ask me questions about golf. Questions are good.
